Roll Model Program

The following are the action items from the meeting:

- Ann M. will contact Fred regarding distribution of the ROLL Model pledges to Glenmont Elementary School and Eagle Elementary School. Since these schools would not be conducting a walk to school day in October perhaps distribution during bus safety day would be a better time. Pledges would continue to be distributed to Slingerlands, Hamagrael and Elsmere Elementary School during their Walk to School Day events in October.
- Rob will print 1400 copies of the ROLL Model pledge. 1100 to be provided to Fred. (250 to be provided to Henry for the St. Thomas School.)
- Henry will follow-up with the St. Thomas School regarding distribution of the pledge. Estimated number of pledge brochures is 250.
- Anne B. will contact Rob regarding needed items (brochures, pledge signature forms, stickers, etc.) for the tabling event at the Sept. 7 Delmar Farmers Market.
- Rob will contact the Bethlehem Chamber of Commerce to determine the best approach to present to them the ROLL Model pledge and how to distribute to Chamber members.
- The Committee decided they would not pursue prizes for students signing the pledge. The pledge would be distributed through the elementary schools during either a Walk to School Day event or bus safety day (tentatively).

Meeting Adjourned at 7:30 pm.

Next meeting September 23, 2013, at 6:30 pm.
