A brand new adaptation of the classic Brothers' Grimm fairytale, the play follows four outcasts: a donkey, a dog, a cat, and a rooster who have all left their homes because they have been told they are no longer useful. Their misfortune brings them together and sets them off on a whirlwind, musical adventure. In the end, the four friends learn that their unique talents are what make them special. Through teamwork, creativity, and a little music, they can do anything!
