

Police Reform & Reinvention Collaborative Advisory Committee Agenda for November 19, 2020

Introduction

- Welcome & Collaborative Purpose
- Agreement for Working Together

Traffic Enforcement in Bethlehem

- Background
- Discussion
 - QUESTIONS: Why do we do traffic enforcement? How do we decide where to do enforcement, esp. how do we select areas for more intensive enforcement activity? How do we decide when to stop a vehicle? How do we handle stops, and how do we decide whether or not to issue a ticket? What data do we collect for stops and for tickets, and why is there a difference?
