

# PUBLIC MEETING

## BLESSING RD. PEDESTRIAN PATH FEASIBILITY STUDY

---

**Help make Blessing Rd. ADA accessible and safer for pedestrians and cyclists!**

**6 p.m. - Monday, May 15  
North Bethlehem Firehouse**

**589 Russell Road, Albany, NY 12203**

The Town of Bethlehem has been working with residents to make Blessing Road safer for drivers, cyclists, and pedestrians. Over the winter, we had traffic engineers evaluate several different options for a pathway along the road, and would now like to review and get local insights on each.

Please join us on Monday, May 15 at 6 p.m. at the North Bethlehem Fire Station meeting room to:

- Consider the pros and cons of each option
- Share ideas
- Discuss next steps

Questions? Please contact Nate Owens, Senior Planner at [nowens@townofbethlehem.org](mailto:nowens@townofbethlehem.org) or (518)439-4955 ext. 1155
