

### ***Camp Director, Kat Fitzpatrick***

Kat's favorite part about summer camp is the endless fun, day in and day out! As a seasoned director, she knows that this means a lot of work behind the scenes, but she actually finds that fun, too :) She was the Town of Bethlehem Parks and Recreation Kid's Club Director in 2020 and leads nature-based programs for the department in other seasons. She has worked at several YMCA camps including camps in Hawai'i, California, and Lake George, NY. She ranks her time at YMCA Camp Chingachgook as some of the best in her life. She'll bring that wealth of knowledge and inspiration to summer in Bethlehem.

Kat was born near Washington, D.C., grew up in the far east and Hawai'i and has lived primarily in Upstate NY since 2000. She loves Delmar for its small-town feeling, proximity to open spaces, and fun and friendly people.

### ***Assistant Camp Director, Brittany McKeown***

She was a counselor in the Sunny Day Camp/Camp Adventure program for 4 years and a Lead Counselor for 2 years. Brittany is originally from Glenmont and recently earned a Bachelor's degree in Early Childhood/Childhood Education from SUNY Oneonta. She spent the last year student teaching in a first grade classroom. She enjoys spending time with her family and friends, photography and making new memories!
