- Conservation
- Public Recreation
- Private Recreation
- Educational

Sidewalk/Pathway

- Delmar Bike Route
- Planned Sidewalk/Pathway
- Existing Sidewalk/Pathway
- Proposed Rail Trail

PURPOSE: This map is intended to identify existing recreation opportunities in the town, including public and private lands, conservation lands, and education lands. Identification of lands on this map is not intended to imply that they are open for public access. Some lands are privately owned and access may be prohibited or by landowner permission only. This map is also intended to illustrate pathways in Town, which represent sidewalks, multi-use paths, and widened shoulders, for pedestrian and bicycle travel.
